

A TWO DAYS MEGA EVENT

SIATI have great pleasure to inform you that we are organizing a mega two days event “**India international Supply Chain Conference in Aero, Space and Defence**” on 17th and 18th January 2020 at Bangalore with the support of Indian aerospace industries and R&D organizations and Foreign OEMs who have their establishment in India

Please see the seminar highlights. Foreign and Indian OEMs will discuss their experience and their expectations. The supply chain requirements of Army, Navy and Air Force will be discussed regarding aircraft, ships, boats, battle tanks etc and other defence equipment. Services for supply chain development such as supply of materials, advanced manufacturing, testing and quality certifications. This will be a mega show with a large participation of all aerospace companies in India and foreign companies having their establishment in India. A unique opportunity to meet all the Foreign and Indian stakeholders of the supply chain under single roof and a good opportunity to develop your business.

We invite you to participate in the event and share expertise & knowledge and conduct business:
